Python for Linguists 2023

Quiz for week 1

Name: _____

What text will be displayed when the following Python program is run? (You had virtually no preparation, so just make a guess.)

```python
favorite_fruit = 'apple'
least_favorite_fruit = 'pear'

lunch = favorite_fruit + ' and ' + least_favorite_fruit

print(lunch)

dinner = 2 * favorite_fruit + 3 * least_favorite_fruit

print(dinner)
```
